

Letter of endorsement for <insert Project Name> by <insert Name of Grant Applicant>

Instructions to endorser:

1. This form is to be filled in by a Government agency or President's Challenge Sector Administrator that is endorsing a project applying for President's Challenge 2025 – Category 2. Please see [here](#) for more information on the funding.
2. The grant applicant that you are endorsing will be submitting this completed letter of endorsement as a supporting document in its application.
3. Please provide your reasons for endorsing the project.
4. President's Challenge Secretariat or the President's Challenge Sector Administrator assessing the application may contact you for clarification, if necessary.

A. To qualify for endorsement, the project must meet both of the following criteria. Please elaborate how the project meets each of the criteria:

- | |
|---|
| 1. The scaled-up project seeks to address a clear need within the community or the target population and is a value-add to existing landscape of support. |
|---|

Justifications:	
-----------------	--

- | |
|--|
| 2. The project has consistently been delivering good outcomes (<i>e.g. if the project was funded by your government agency and had met targets satisfactorily throughout the funding cycle, or the project had received good feedback from partners or the target population</i>). |
|--|

Justifications:	
-----------------	--

B. Other reasons for endorsing the project:

--
